

## 2019 Domestic Overtime Higher Degree Research Fees

Fees for Higher Degree Research studies where RTS and Western Sydney University funded EFTSL has been exceeded. PhD students are entitled to 4 EFTSL (RTS) and Masters Honours students are entitled to 2 EFTSL (RTS). Any extensions beyond this time must be approved by the University - see Doctor of Philosophy Rule and Research Masters (Honours) Policy

The term "EFTSL" refers to Equivalent Full Time Student Load. 1 EFTSL at Western Sydney University is equivalent to one full-time year as a research student. At Western Sydney University, a research student's load and progress is measured in EFTSL, not credit points.

Research fees are reviewed each calendar year and may increase accordingly.
